

Pelham Boulevard Bikeway

OPEN HOUSE
(Presentation at 6:15 PM)

January 17, 2017 | 6 - 7:30 PM
Merriam Park Rec Center
2000 Saint Anthony Ave

City of Saint Paul staff is proposing to implement a two-way protected bike lane along Pelham Boulevard and Myrtle Avenue in Spring 2017. The project will also help calm traffic and reduce traffic speeds on Pelham. The bikeway is a result of the Saint Paul Grand Round planning efforts that have taken place over the past year.

www.stpaul.gov/pelham-bikeway

Come to the meeting to learn about the proposed bikeway and how it will impact safety and traffic calming along the corridor. The proposed layout includes removal of on-street parking in some areas along the corridor. City staff will be at the meeting to present the proposed layout, answer questions, and hear your feedback on the proposal.
